

**ROLL OF HONOR  
BIENNIAL COUNCIL, OCTOBER 19 & 20, 2024**

**Chair: Lisa B. Liles**

Madame President and Members of the Biennial Council,

It has been my pleasure to serve these past two years as the Roll of Honor Chair. In addition to preparing and sending award certificates for Roll of Honor recipients during these years, I sought the assistance of Cecily Nesbit, Director of Institutional Advancement at National Headquarters, in locating a new calligrapher for the Roll of Honor Blue Book and a stationer through which we could order a new supply of our elegant Roll of Honor certificates. Her help was greatly appreciated, and we owe her a debt of gratitude for her time in these endeavors.

This year the names of Roll of Honor recipients inscribed in the Roll of Honor Blue Book were compiled with names of recipients found in previous Biennial Council reports that had unintentionally been omitted from the Book, along with the names of those who recently received this prestigious honor. The Corporate Society Roll of Honor Lists can now be found by Corporate Society on the new NSCDA website in the Membership Committee, Roll of Honor area for easy reference.

It is a distinct and special honor to be named by one's Society to the Roll of Honor. A nominee is deemed worthy by her society board of managers for her sustained service, dedicated leadership, and devotion to the ideals of the NSCDA that have gone above and beyond the ordinary.

I am pleased to report nominations to the Roll of Honor over the past two years raised \$14,000 for National Headquarters-Dumbarton House. Last year at the National Conference in St. Louis, Missouri, thirty-three Roll of Honor recipients for 2023 were recognized. It is my privilege today to present the thirty-seven Roll of Honor recipients for 2024.
