

The NSCDA's Comprehensive Campaign

*Honor Roll of Donors*

2016-2021

## From our *National President*

*Dear Dames,*

When the world around us is challenging in so many ways, and we have to adapt and persevere in creative ways to find new paths forward, it is with overwhelming appreciation and gratitude that I express my thanks to all the donors who supported the NSCDA Comprehensive Campaign. You demonstrated your faith in the future, and the future of the NSCDA, by supporting our campaign with your time, talents, and financial resources. We achieved the greatest financial milestone in our Society's history by exceeding our goal of \$10 million dollars, with a final tally of over \$10.1 million.

As you read through this report, you will see illustrations of how the funds are already being deployed to impact the mission of our Society, from supporting NSCDA programs, to funding educational scholarships, to preserving our National Headquarters, Dumbarton House, and to developing Great American Treasures and the Museum Alliance Grant Fund.

This report also gives us the opportunity to thank our donors and volunteers. Please join me in recognizing and thanking our many donors, as well as our volunteers for the campaign, including the members of the Campaign Steering Committee, the Major Gifts Volunteers, and the Ladies of the Dumbarton House Board, who encouraged gifts from members in their Regions and Corporate Societies.

What a wonderful gift you have given to all future Dames and to the people of our country with your financial support that allows us to continue our work to further our mission in preservation, education, and patriotic service so that together we can celebrate our history and inspire our future!

With gratitude,

A handwritten signature in blue ink that reads "Katherine T. Cammack".

Katherine Taylor Cammack  
NSCDA National President

## From our *Campaign Team*

*It is with great pleasure* that I am able to thank each and every Dame for the successful completion of our NSCDA Comprehensive Campaign! We did it! We not only successfully completed our campaign, but we exceeded our \$10,000,000 Goal! WE raised over \$10.1 million dollars! Thank you, Ladies, thank you. As this was the largest fund-raising campaign in our NSCDA history, we have a lot to be proud of. We have once again proven that we Dames can do anything! And with this money we are able to support and expand our Society, our Home, and our Legacy. The lessons we have learned and the information we have gained will continue to lead us to successful fundraising endeavors in the future. With this campaign we have established a culture of Philanthropy through our “Generosity and Purpose”, and there is no stopping us now!

Thank you, wonderful Dames, thank you.

*Edith A. Stickney*  
Edith Stickney, Campaign Chair

*The effect you, our Donors, have had* cannot be easily described. You made a tremendous difference in reaching the NSCDA’s campaign goal, and then in exceeding it to meet our critical needs. You have gone “the extra mile’ and enabled us not only to begin our projects but also to reach out to accomplish some of our greatest dreams. Your generosity is leading us to new levels in spreading patriotism through scholarships, making grants to museums and students, funding education projects, and making our Headquarters function more effectively in the present and securing it for the future. We will never be able to thank you enough, nor tell you how very appreciative we are to you, but please know how grateful we are to you the “stars of the NSCDA Comprehensive Campaign”.

Fondly,

*Stuart Cobb*

Stuart Cobb, Honorary Chair, Steering Committee

# *Thank You* to the Steering Committee

## *Our NSCDA Comprehensive Campaign*

would not have happened without our Campaign Steering Committee. Many of these Dames were members of the Executive and National Boards when the decision was made to go forward with a campaign of this scope. Indeed, the vision for this campaign originated with several members of this committee in 2013. It is with great pride and appreciation that I thank every Dame who served on this Committee. They are the “A Team” of this wonderfully successful endeavor. They dedicated not only their time but their talent and treasure and stayed with this for almost eight years of planning and carrying out the campaign! They have proven, once again, that a Dame can achieve anything! Thank you to the extraordinary, wonderful and very attractive members of the Comprehensive Campaign Steering Committee.

Thank you,

Edith Stickney, Steering Committee Chair

# *Thank You* to the Major Gift Volunteers

## *To Our Major Gifts Volunteers,*

In 2016 an Ad Hoc Campaign Planning Committee was formed, and since then, the focus has been on the NSCDA Comprehensive Campaign. The goal: to raise \$10,000,000 to ensure future generations of Dames would be well-equipped to carry out the NSCDA mission. Recruiting for Major Gifts Volunteers began in earnest.

Those of you who accepted this role are the real Campaign heroines! We worked together for 3 years, meeting bi-monthly throughout our National Comprehensive Campaign - first by conference call and later through video meetings. We ventured into the world of fundraising, with the guidance of our consultant Lisa Bennett. We developed confidence to personally solicit fellow Dames and ask them to make a major commitment to our NSCDA Campaign. And you urged our Corporate Societies to support the Campaign as well.

You accepted additional roles as Major Gifts Volunteers as the Campaign progressed and the pandemic set in. And thanks to YOUR efforts our Campaign exceeded its goal!! Major Gifts (\$10,000 to \$99,999) accounted for over 1/3 of Campaign donations.

Ladies, you are THE BEST! You've heard me say this before, but I will never be able to thank you all enough for your commitment to the NSCDA. You did not stop until the Campaign was completed. And not only did we work tirelessly together, but in doing so, we had the opportunity to make new friends from all over the country. New friends forever.

I'm so grateful.

## From our *Honorary National President*

*Dear Dames,*

Your generosity in support of our historic fundraising effort, the NSCDA Comprehensive Campaign, has ensured the funding of our strategic goals and dreams that would not have otherwise been possible. It is with great humility and gratitude that I send my most sincere appreciation for your confidence and commitment to the future of our organization through your support of this effort.

With the successful completion of this campaign, I want to express my special thanks to those of you who gave stretch gifts in the form of Leadership and Major gifts throughout the campaign. Also, I want to recognize the outstanding leadership of the members of the Steering Committee, our wonderful campaign consultant, Lisa Bennett, and our dedicated Development Staff, with whom it has been a joy and pleasure to work these past four years. Their determination and inspiration made it possible to exceed our goal and complete a successful campaign.

With great admiration and devotion to you all,
