LETTER FROM OUR LEADERSHIP

Dear Friends,

Last year was a transformative one for your National Society of The Colonial Dames of America! Following our 125th Anniversary year, focus shifted toward Strategic Planning and developing a vision for the future of our organization that will enable the NSCDA to expand its mission of preservation, patriotic service, and education for generations to come. At our National Headquarters a physical transformation took place as our failing HVAC system was replaced, windows restored, and the museum reopened. Celebrations began with a special dinner in the historic period rooms with our Dumbarton House Board in April and continued with over 1,000 attending tours following our ribbon-cutting in June.

Creation of a dedicated Collections Storage and NSCDA Archives Center, coupled with our new energy-efficient and temperature/humidity-controlled HVAC system, enable NSCDA staff to professionally preserve and care for our priceless artifacts and institutional history, while allowing greater access for researchers and scholars.

We are so grateful for the incredible generosity of members and friends who enable this success. We hope you continue to enjoy our new Annual Report format (launched last year) that chronicles the national impact of the

NSCDA and recognizes donations on a calendar year basis. The pages that follow include donations received January 1 – December 31, 2017. If you note corrections or omissions, please notify the staff at your National Headquarters.

Our donors, volunteers, members, and staff make our efforts possible nationwide, all working together **Entrusted with History's Future**. We look forward to sharing our continued 2018 accomplishments with you in the months ahead, and invite you to join us at an upcoming NSCDA Meeting or at our National Headquarters and Museum, Dumbarton House, to see **The Story of Courage, Preservation, and the Rise of a Nation** in action every day.

With gratitude,

AMERICAN INDIAN NURSE SCHOLARSHIP

The American Indian Nurse Scholarship Award Program was started by the NSCDA in 1928 to give students of American Indian descent the opportunity to pursue careers in nursing. The scholarship money can be used for tuition and other academic expenses as long as the student remains in good academic standing. In 2017, \$72,356 donations were made to the fund.

Recipients receive \$1,500 each semester.
