

The American Indian Medical Scholarship (AIMS)
Renewal/Transfer Application

The National Society of The Colonial Dames of America (NSCDA) has provided scholarships to assist Native American students pursuing degrees in the medical field since 1928. NSCDA welcomes academically qualified applicants enrolled in their American Indian, Alaska Native, or Native Hawaiian tribes. AIMS scholars receive \$1,500 per semester, up to 8 semesters. Renewed scholarships are granted as long as the scholar maintains a C average or the equivalent in his/her school. Scholarship funds are to be used strictly for tuition, books or fees applicable to the student's approved program. Please submit this application electronically, via the Dropbox located on the AIM Scholarship page on the NSCDA website. Instructions for submission are located at the bottom of this application.

The AIMS scholarships are made possible through the Martha L. Walden Fund endowment and contributions of our NSCDA Corporate Societies and their members.

Due dates: October 15 for Winter/Spring Renewal and June 15 for Fall renewal.

Please fill out the application online or write clearly in the spaces provided.
